[Engagement Proposal \(003\).docx](#)

Good afternoon Sir,

Attached is a draft proposal from Deputy Minister Rob Stewart of Public Safety Canada and Jeff Hutchinson Senior Advisor Privy Council for the PMO and Cabinet. I have put in tracked changes to the document that I feel are necessary for the greatest success of outcomes.

The question for you is do you see any issue with this letter coming from the Federal Minister to the Commissioner? Any insight or feedback would be helpful. The Federal government is trying to work this process through government as soon as possible and I would like to provide our input for consideration sooner than later.

Many thanks,

Insp. Marcel Beaudin
